

IntelliVen Overview

Who we are:

**Operating executives who provide practical support to leaders and their teams to:
GET CLEAR, ALIGN, GROW.**

Using a proprietary approach that helps leaders take their organizations to the next level of operational excellence.

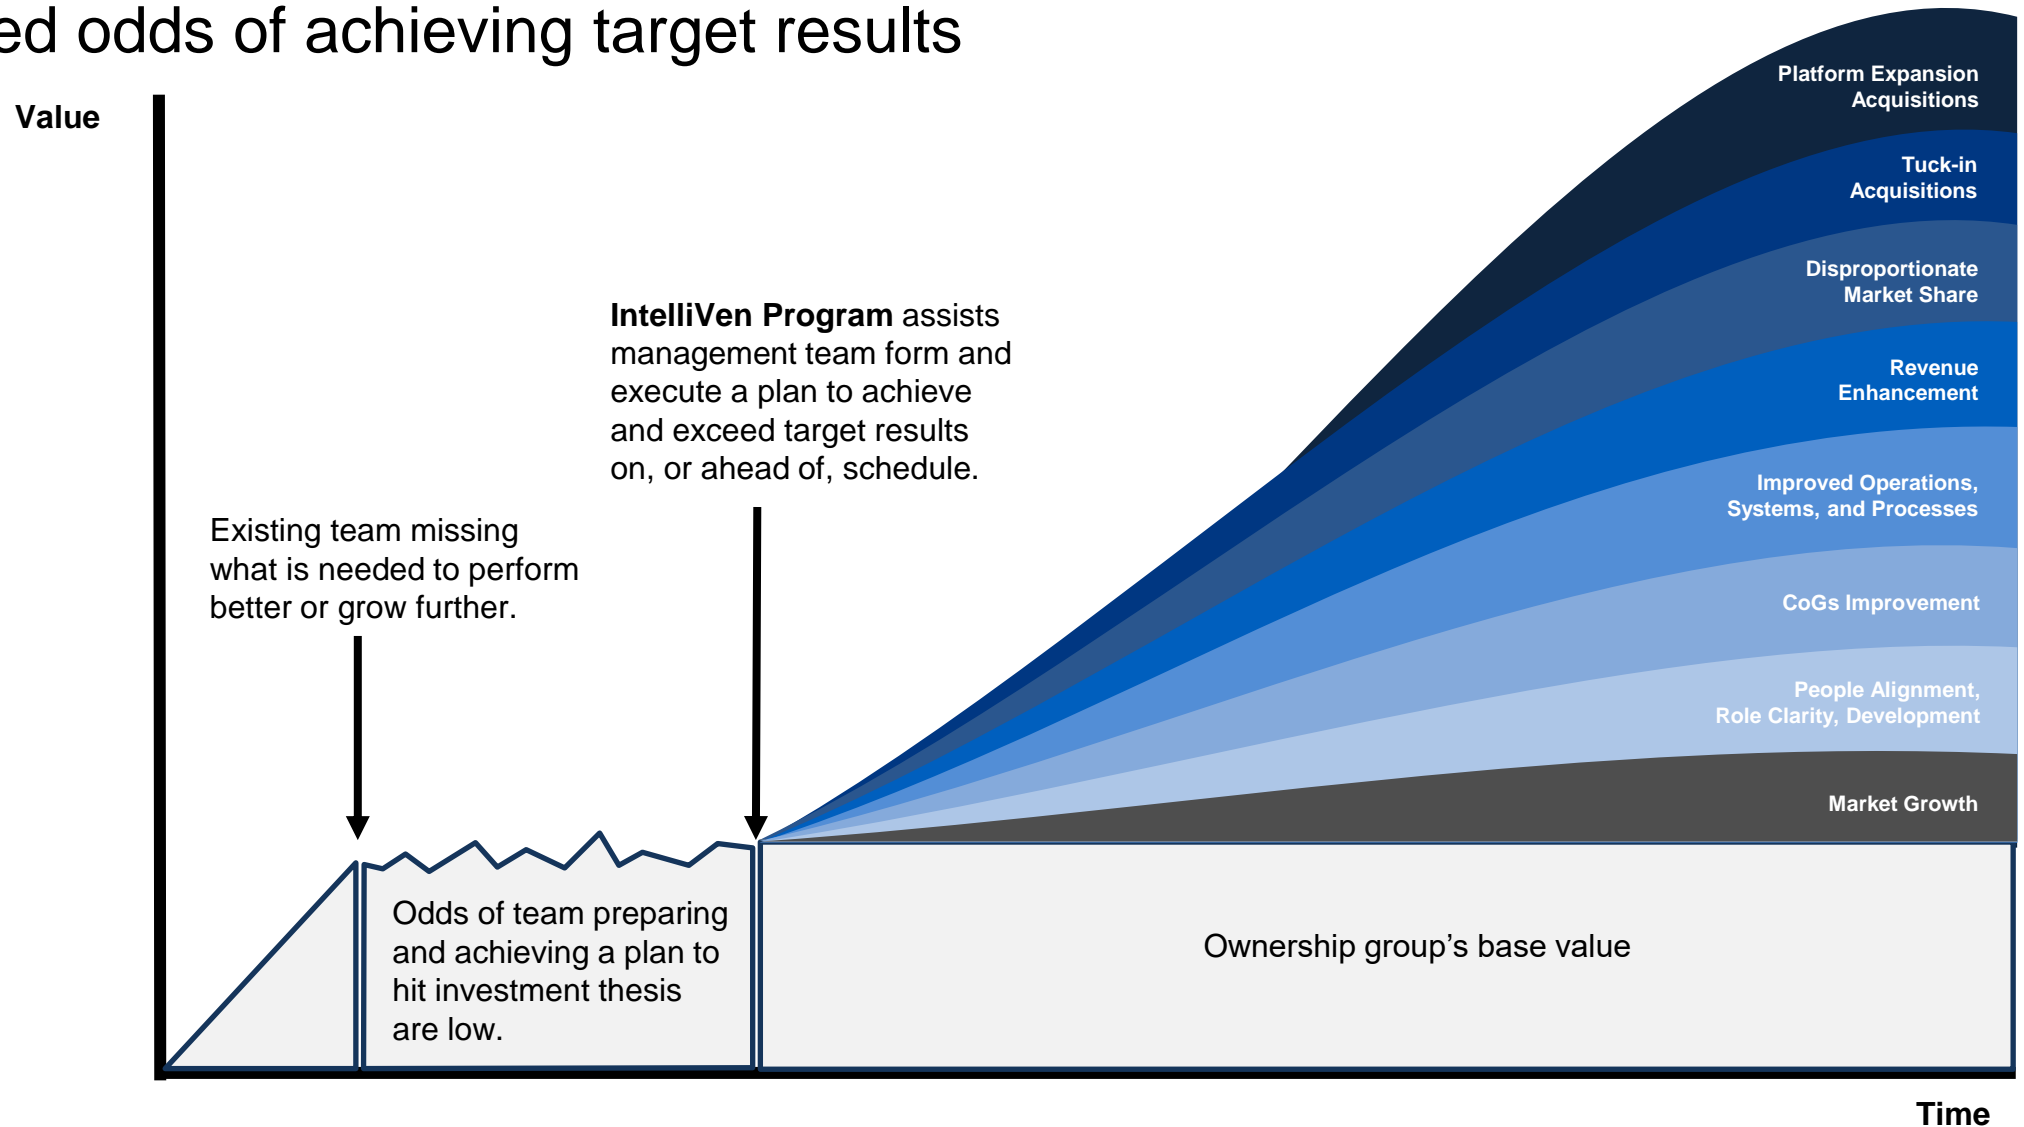

Based on lessons learned successfully leading over a dozen management teams through inflection points.

Provide tools, methods, and principles ... not answers or judgments ... for leaders to use as they see fit.

Cultivate independent competence.

Results

- Lower operating risk
- Increased odds of achieving target results

IntelliVen senior operating partners provide

- **WHAT:** Practical operations support to prepare and execute a plan drawing on **Manage to Lead*** best practice tools, methods, and principles.
- **WHO:** For teams leading organizations, units, or functions with the chance for outsized performance and growth in high-stakes markets.
- **WHY:** To lower operating risk and increase odds of achieving, and usually exceeding, target results, often in record time.
